Support Notice 4/14/2016
 The TTMD group will no longer be certifying the stand alone Good Share product as that functionality has been added to the Good Work Client.

Support Notice 11/23/2015
 The upcoming releases of the following products will not support devices running iOS 7, nor will they support iPad2, iPad mini (original), and iPhone 4s:

- Good Work v2.0
- Good Access v2.5
- Good Connect v2.4
- Good Share v3.2.3
- Good For Salesforce1 v1.8

Those devices running iOS 7 will not have the ability to upgrade to the above application versions, however their existing application versions will continue to work fine. Users wishing to take advantage of the latest features and functionality in the above versions should upgrade to the latest version of iOS, then upgrade their
